IN RE: Application of International Design Group, Inc.)	ORDER CANCELLING
d/b/a USA Telecom for a Certificate of Public)	CERTIFICATE
Convenience and Necessity to Operate as an)	
Alternative Local Exchange Carrier within the)	
State of South Carolina.)	

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of International Design Group, Inc. d/b/a USA Telecom (USA Telecom or the Company) to cancel the Company's Certificate of Public Convenience and Necessity (Certificate) to provide local exchange telecommunications services in the State of South Carolina. A review of the Commission's records reveals that the Commission granted USA Telecom authority to provide telecommunications services in the State of South Carolina by Order No. 98-94, dated February 6, 1998.

By letter filed January 18, 2006, from the Company's President, USA Telecom seeks cancellation of the Company's Certificate. According to USA Telecom, the Company has no customers in South Carolina and therefore wishes to cancel the Company's Certificate.

As USA Telecom is not providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that USA Telecom's Certificate of Public Convenience and Necessity to provide telecommunications services in the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

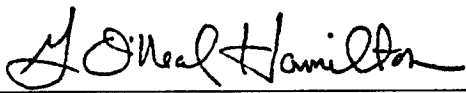

1. The Certificate of Public Convenience and Necessity to provide local exchange telecommunications services in the State of South Carolina authorized by Order No. 98-94, dated February 6, 1998, issued in the instant docket to International Design Group, Inc. d/b/a USA Telecom is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
